Jerusalem Time Zone

December 2024-2025

The Beginning of Time

In the beginning Yah created the heaven and the earth. **Genesis 1:1**

And Noah rejoiced that this portion came forth for Shem and for his sons, and he remembered all that he had spoken with his mouth in prophecy; for he had said: Blessed be Ahiyah of Shem and May Yah dwell in the dwelling of Shem.

And he knew that the Garden of Eden is the Holy of Holies, and the dwelling of Yah, and Mount Sinai the Center of the desert, and Mount Zion the center of the navel of the earth: these three were created as holy places facing each other.
Jubilees 8:18,19

*Thus saith Yah: This is Jerusalem: I have set it in the midst of the nations and countries that are round about her. **Ezekiel 5:5***

The Sabbath Sign

The Calendar Scribe

IN THE BEGINNING

This is an interactive calendar. Click on link highlights in the calendar to get further information of start times for the sabbath for your location, and further detail about the links.

Remember the sabbath day to keep it holy, six days shalt thou labour and do all the work, but the seventh day is the sabbath of Yah thy God, in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: For in six days Yah made heaven and earth, the sea, and all that in them is, and rested the seventh day: Yah blessed the sabbath day, and hallowed it.

Exodus 20:8-11 KJV

And Yah God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and seasons, and for days, and years. **Genesis 1:14 KJV**

And hallow my sabbaths; and they shall be a sign between me and you, that they may know that I am the Lord your God. **Ezekiel 20:20. KJV**

He appointed the moon for seasons: the sun knoweth his going down. **Psalms 104:19 KJV**

And it shall come to pass, that from one new moon to another, and from one sabbath to another, shall all flesh come to worship before me saith Ahiyah. **Isaiah 66:23 KJV**

The Sabbath Test

Yah Proves Israel Exodus 16

Then said Ahiyah unto Moses, Behold I will rain bread from heaven for you: and the people shall go out and gather a certain rate every day, that I may prove them, whether they will walk in my law, or no. **Exodus 16:4**

And it shall come to pass, that on the sixth day they shall prepare that which they bring in; and it shall be twice as much as they gather daily. **Exodus 16:5**

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30

(The Sabbath pattern must be divisible by 7)

The Quail & Manna Sequence

- **14th Day at Evening (Sabbath)** - They encamped in Elim by the waters. **Exodus 15:27**
- They arrive in the wilderness of Sin on the 15th day of the second month (2nd New Moon). **Exodus 16**

21st Day in the Morning (Sabbath) - none

The Sabbath Day

And they came to **Elim** , where were twelve wells of water, and threescore and ten palm trees: and they encamped there by the waters. **Exodus 15:27**

And the whole congregation of the children of Israel murmured against Moses and Aaron in the wilderness: And the children of Israel said unto them, would to Yah we had died by the hand of Yah in the land of Egypt, when we sat by flesh pots, and we did eat bread to the full; for ye have brought us forth into this wilderness, to kill this whole congregation with hunger. **Exodus 16:2,3**

Then said Yah unto Moses, Behold , I will rain bread from heaven for you; and the people shall go out and gather a certain rate every day, that I may prove them, whether they will walk in my law, or no. And it shall come to pass, that on the sixth day they shall prepare that which they bring in; and it shall be twice as much as they gather daily.

And Moses and Aaron said unto all the children of Israel, At **even**, then ye shall know that Yah hath brought you out from the land of Egypt: **Exodus 16:4-6**

The Cloud Movement

At the commandment of Yah the children of Israel journeyed, and at the commandment of Yah they pitched: as long as the cloud abide upon the tabernacle they rested in their tents. And when the cloud tarried long upon the tabernacle many days then the children of Israel kept the charge of Yah and journeyed not. ***Numbers 9:18,19***

The Cloud Movement

Or whether it were two days, or a month, or a year, that the cloud tarried upon the tabernacle, remaining Theron, the children of Israel abode in their tents, and journeyed not: but when it was taken up they journeyed. ***Numbers 9:22***

The Journey

after Sabbath

And they took there journey from Elim, and all the congregation of the children of Israel came unto the wilderness of Sin, which is between Elim and Sinai, on the **fifteenth day of the second month** after departing out of Egypt. **Exodus 16:1**

And it came to pass, as Aaron spake unto the whole congregation of the children of Israel, that they **looked toward the wilderness**, and, behold, **the glory of Yah** appeared **in the cloud**. **Exodus 16:10**

And Yah spake unto Moses saying, I have heard the murmurings of the children of Israel: speak unto them, saying, At **even** ye shall eat flesh, and in the morning ye shall be filled with bread: and ye shall know that I am Yah your God. **Exodus 16:11,12**

And it came to pass, that at **even** the **quails** came up, and covered the camp and in the morning the dew lay round about the host. **Exodus 16:13**

The scripture sets the date of the arrival of Israel in the wilderness of Sin in Exodus 16:1. We must understand that the arrival of the Israelites was in the second month on the fifteenth day of the month, and not as if they had already arrived. In Exodus 16:2-10 describes a conversation that took place on the sabbath with Moses, Aaron, Ahijah, and the Israelites. It describes what was presently going on, and what would transpire when they would arrive in the Wilderness of Sin on the fifteenth day of the second month. You will see that Exodus 16:10 reveals they were still in Elim, as they looked toward the wilderness and sees

the glory of Yah in the cloud. It was at this point after the sabbath on the 14th day, they took their journey to arrive in the Wilderness of Sin on the 15th day in the evening. They were at the border between Elim and the wilderness of Sin, and could easily see the next destination. Israel's six day work cycle begins, and the sabbath count begins. Quail was all around the camp when they arrived at evening on the 15th day. They stood up all that day and night, including the next day. It took the whole congregation of Israel two days to gather the quail. **See Numbers 11:30-32.**

New Moon

Waning to Conjunction

Day 29, or 30

Worship - No secular work

New Month

2% Illumination

Day 1

Work Day Starts

Conjunction - A conjunction last a moment, and light begins to gradually increase again after the conjunction way before you can see it from earth. About a day from the time of the conjunction, the Moon would be visible with the naked eye at a 2% illumination, and it is the 1st day of the new month. The sabbath count begins on this day and secular work can begin.

Jerusalem

Revolution of The Year

Year's End=

Strong's Concordance: 8622

Tequphah: a coming round, circuit

Original Word: תְּקוּפָה

Part of Speech: Noun Feminine

Transliteration: tequphah

Phonetic Spelling: (tek-oo-faw')

Definition: a coming round, circuit

Holy Feast Day Sign

For it is he who gave me unerring knowledge of what exist, to know the structure of the world and the activity of the elements; the **beginning** and **end** and **middle of times**, the **alterations** of the **solstices** and the **changes of the seasons**, the cycles of the year and the constellations of the stars. *Apocrypha, Wisdom of Solomon 7:17-19 NRSV*

While the earth remaineth, **seed-time** and **harvest**, and cold and heat, and **summer** and **winter**, and day and night shall not cease. *Genesis 8:22*

And though shalt observe the feast of weeks, of the first-fruits of wheat harvest, and the feast of ingathering at **year's end**. *Exodus 34:22*

Yeshua Hamashiach/Jesus Christ Birth

The Lord's day, a day mentioned only one time in the scriptures. In the book of Revelations 1:10, this day belonging to Yeshua himself on His birthday, He repeatedly claims as His own. He stated three times in the chapter, " I am the Alpha and Omega, the beginning and the ending". (**Revelation 1:8**)

It's this day that John bared record of the testimony of Yeshua. He was in the spirit on the Lord's day and heard a great voice, as of a trumpet. This great voice sounded as a trumpet saying again, "I am Alpha and Omega, the first and last (**Revelation 1:11**). We should understand on this day, He repeatedly claimed this day as the first and the last. It was the first New Moon of **Abib** at the conjunction, that Yeshua was born.

Yah revealed this portrait to me of Baby Yeshua the Hamashiach/Christ engraved in the earth, at His birth site in Bethlehem. Bethlehem is originally located on the Sinai Peninsula where it has always been. This portrait was located by using Google Earth.

Egypt's 3 Predictable Seasons

While the earth remained, seed-time and harvest, cold and heat, and summer and winter, and day and night shall not cease. Genesis 8:22

The Israelite sustainability was dependent upon strict agricultural practices, and obedience to His commandments. They were taught that obedience would bring them a rich supply of grace, and they would be able to distinguish between the sacred and common. Disobedience always brings evil. If the Israelites chose to manage the land in their own supposed wisdom, they would notice no intervention by Yah to counteract their evils. Yah taught His people what they must do to be a prosperous and independent nation, and the land would yield its increase hundredfold. Now, because the Israelites began to come away from the practices set forth by Yah, and adopted heathen agricultural practices, we are reaping what we sow. Disease of many forms upon our lands, crop failures, and much more. Israelite seasons are to be kept synchronized by how Yah has outlined it to be, that it may bring praise and glory to His name.

Hidden

Abib

This month shall be unto you the beginning of months; it shall be the first month of the year to you (**Exodus 12:2**). And Moses said unto the people, Remember this day, in which ye came out from Egypt, out of the house of bondage; for by the strength of hand Yah brought you out from this place: there shall no leavened bread be eaten (**Exodus 13:3,4**). This day came ye out in the month **Abib**. The word of Abib in Hebrew means, budding/sprouting. Before the seventh plague of hail fell upon the Egyptian crops, this is what Moses saw, "the barley was in the ear, and the flax was **bolled**, and wheat and rye was not grown up (**Exodus 9: 31,32**). Flax was in **bolled** stage. **Bolled** in Hebrew is **gabool**, which means **the calix of flowers**. If you look at these crop stages, you will notice that there is no way that Passover connects to a Spring season. Neither of these crops would be in this young stage at the beginning of spring. Egypt's crops would have already been in the ripening stage near to harvesting. Yah had appointed the season of planting in the cold before winter, and harvest in the summer. **See Genesis 8:22**

The Migration of Egypt's Quail

There was no Quail available to the Israelites after 15th day of the third month of the Hebrew Year, which would have placed this event during Egypt's winter season. For Yah allowed the Israelites a whole month to consume as much as their lust desired during this winter season. If the feast days started in spring of March/April as many believe, then we must understand that Quail would have never been in the African region with such abundance to feed Israel. It was for this reason why Yah just allowed them one month of Quail, in keeping with His synchronized ecosystem. As proved before, another sign that Yah has appointed the beginning of the month in winter.

Yah's Ancient Time Clock

Ancient Israelite appointed time piece monument. The Astronomical Celestial significance of the Great Pyramid of Giza reflections, illuminations and alignments throughout, is an ancient time piece of Yah's appointed seasons to the house of Israel. The flood being prophesied by Adam, Seth's descendants knew of this information, and inscribed their discoveries of the heavenly bodies positions and alignments into the structure of the Great Pyramid. The significance of this would later be a great witness for future knowledge to the house of Israel. The New Jerusalem will replace this monument in the millennium.

A prophetic sign in the stars and aligned with the pyramids of Egypt is a depiction of a time when Micheal, the great prince, which shall stand up for the children of Israel. There shall be a time of trouble, such as never was. We must understand the timing of this alignment of the Orion Belt to occur during the winter solstice.

When I have bent Judah for me, filled the bow with Ephraim, and raised up thy sons O Zion, against thy sons, O Greece, and made thee as the sword of a mighty man.

And Yah shall be seen over them and His arrows shall go forth as the lightning, and Yah shall blow the trumpet, and shall go with whirlwinds of the south.
Zechariah 9:13,14

The New Jerusalem will descend from the Orion constellation and replace this monument in the future millennium.

THE SIRIUS STAR

The 50 year Jubilee Cycle Timekeeper

Sirius is the brightest star in our universe. It is a binary star system consisting of (Sirius A) and its companion star (Sirius B). Both stars orbit its gravity system. The Sirius stars is the only stars that has an orbital gravitational pattern of a 50 year cycle. Sirius A and B maximum distance, or arc seconds is the sign in determining the Jubilee year. In **2025** these two binary stars will reach its maximum distance of 11.5 arc seconds from each other. Sirius A can be seen rising before sunrise after the June summer solstice, which correlates with Egypt's Nile River flooding, and disappearing in April/May until the harvest season is completed in June. Sirius B it's companion star is seen more easily when approaching its maximum separation from (Sirius A) every 50 years. For hundreds of years no one has ever made this Jubilee connection with the Sirius Stars, and it is at this time that Yah has revealed the sign. All the other dates has been wrong. *And Yah said, let there be lights in the firmament of the heaven to divide the day from the night: and let them be for signs, and for seasons, and for days and **years. Genesis 1:14***

Holy Feast Day Sign

(Future Feast of Tabernacles)

Zechariah 14:18,19

How long shall I expect the children of men to work salvation for my arm by their righteousness? For my own sake, for the sake of my merit and righteousness, I shall deliver my arm, and by it save my sons from among the gentiles" as it is written, " For my own sake alone shall I act -- is my name to be profaned?" Then the Holy One, blessed be He, will reveal His great arm in the world, " and show it to the gentiles: it shall be as long as the world and as broad as the world," and the glory of its splendor shall be like the brilliant light of the noonday sun ***at the Summer Solstice. At once Israel shall be saved from among the gentiles and the Messiah shall appear to them and bring them up to Jerusalem*** with great joy. **Moreover, the kingdom of Israel, gathered from the four quarters of the world, shall eat with the Messiah, and the gentiles shall eat with them, as it is written. *3 Enoch Ch. 48A: 8-10*** (Read also Revelation 7:9,17)
